The Washington Department of Health presents this information as a service to the public.

The absence or presence of information in this system does not imply any recommendation, endorsement, or guarantee of competence of any health care professional, the mere presence of such information does not imply a practitioner is not competent or qualified.

This site provides disciplinary actions taken and credentials denied for failure to meet qualifications. If the Enforcement Action is listed as a No, there has been no disciplinary action. It allows viewing and downloading of related legal documents since July 1998. Contact our [Public Records Office](#) for information on actions before July 1998. This information comes directly from our database. It is updated daily.

Do not let your credential expire!

You must make sure the Department of Health has your renewal before it expires. It is a violation of the law to practice without a current license and may be subject to disciplinary action.

A timely postmark on your renewal will not prevent an expired credential.

Renewals sent by mail take about two weeks to process.
